

Admissions consultation

Little London Community Primary School is undertaking a period of consultation on our Admissions Policy. We are proposing to reduce our PAN from 90 to 60 for our Reception intake in September 2023. This is due to significant falling numbers in pupils and very low projected birth rates for the next 4 years. The school is seeking to reduce the PAN so that the school can operate effectively and efficiently in future years.

Please respond with any comments to the school by email at office@littlondonprimary.co.uk by 31.01.22.
