of please donate these to the school office as we can give them to families who may need them.

APPOINTMENT TIMES

Please remember that any routine medical doctors or dentists' appointments must be made in the holidays. We cannot allow families to simply take their children out part way through the school day or come in late due to appointments. All emergency appointments **must be authorised by the Principal**.

YEAR 6 PRACTICE TEST WEEK

This week we have looked at the results from our practice SATs week with our Year 6. Every single child has made progress since the Autumn Term, demonstrating how hard they are working!

CHILD MENTAL HEALTH WEEK

Children's mental health was recognised in school this week with some very important whole school events, assemblies, class-based activities and a 'Come as yourself' dress day to allow children to express their true selves was very important. Lots of important conversations took place, to support our children with their own mental health. If you'd like more information and support for mental health, for anyone in your family please see one of our learning mentors.

BIRTHDAY TREATS

Please remember that we cannot give out cakes or buns when it is your child's birthday due to the number of allergies in school. Thank you for your understanding.

DATES FOR YOUR DIARY

The school will **reopen** after the one week half-term holiday on **Monday 23 February**. Our next school closure for a **training day is on the 11 March**, when all classes are closed including Nursery.

We hope you have a lovely holiday.
