## Whole school news, information and diary dates

### Parent Governor Recruitment

We had a good response from parents wishing to stand as a candidate for our roles as parent governor at our school. As we had more than 2 responses for our 2 vacancies a ballot will be held. Details of this will follow shortly, the ballot will take place before we break up for Christmas.

### Year 6 Residential

Children in Year 6 will be going on a residential to Lineham Farm in Leeds the week beginning Monday 5th December. Each class will go for 2 nights and 3 days. It will be a brilliant week, the children will make amazing memories and have a great time!

### Christmas

This year, we are delighted to be able to resume many of the school's traditional Christmas celebrations. On Tuesday 13th all classes will perform a short assembly that parents are invited in to see. Individual class timings will be sent out to you this Monday so you can plan to attend. On Thursday 15th all children have the opportunity to have a Christmas dinner in school. If your child usually has packed lunch they can choose to have Christmas dinner on that day. On Friday 16th December all classes will have a Christmas party. Children are to come in their uniforms as normal on Friday, we do not want anyone to go out and buy any special clothes for that day.

### Appointments in the school day

If your child has a medical appointment during the school day please let the school office know about the appointment in advance. Please call in or telephone so they know when to expect you. Also, we cannot let the older children leave on their own during the school day. During the school day an adult must collect children from the school office and cannot arrange to meet them off the school site. We thank you for your co-operation with this.

## Whole school news, information and diary dates continued...

### Punctuality and Attendance

A reminder to all parents of the importance of being on time for school and being in school every day possible. Lessons start at 9am, after this time children are late for school and miss the input from their teacher for their first lesson of the day. Being late for school and not attending school has a significant impact on a child's academic progress but also on their self-esteem and confidence. Please ensure your child is on time for school and attends every day possible and makes the best start to their school day.

### Allergies

We have a number of children in school with nut allergies. It is very important that we are a 'nut-free' school. Please do not send your child into school with any nuts, or foods or drinks that contain nuts. Thank you for your help with this very important matter.
